INFO & STALLHOLDER APPLICATION

WHO ARE WE?

We are the people's marketplace.

You don't have to be a brand or qualified designer | But we do love artisan creatives | You may be starting out or perhaps you have a cool idea | Maybe you are a collector, designer of artwork or furniture and want to sell on to good homes | Collab with your best friends, clean out your wardrobes and share an experience | We love vintage sellers | We are Gilles at The Grounds.

We are for the gatherer, the collector the designer and YOU.

Bring your idea to life at Gilles!

Gilles Street Market originated in 2008 in the heart of the city, Adelaide at the historic, Gilles Street Primary School. Heralded as Adelaide's original fashion and design marketplace, Gilles Street has provided a platform for emerging and established designers to showcase their work, whilst also encouraging an ethical environment for pre-loved/vintage sellers. We proudly support the reuse, recycle and re-love concepts to minimise waste impact on our environment.

In April 2018 Gilles Street Market evolves and relocates to a large indoor residence, at the Old Brick Dairy housed within the historic **Adelaide Showgrounds**. Ideally located alongside the prestigious Adelaide Farmers Market. Large barn doors give way to a delightful grassed area, which will be activated with activities for all. Gilles at the Grounds continues to remain dog friendly. Yet provisions will be put in place to ensure dog owners are aware of rules and behaviour.

The newly designed space will incorporate up to 114 sellers on a range of selected dates throughout the calendar year. Keeping in mind that The Showgrounds house numerous events, we have tried to select our dates in accordance to the current exhibitors and events. Whilst not always on the same weekend each month, we have aimed to trade twice a month all year round where possible.

Please follow us on social media, or check the website for all confirmed dates.

THE SPACE

We are located in The Old Brick Dairy, which is essentially an old farm barn. Stall sizes vary, but are generally all quite large – 3.3 front x 2.4m deep – perfect for a share option!

There is a back wall to every site and generally a post separating each stall. Some stalls have a small roof overhead, that can be used to display planters, and other bulkier items or your unwanted storage boxes. Please advise in the booking form if you have stall requests. The market will be styled by local creative Samantha Cox, Artistic Lifestyle. We will have numerous live entertainment, activities for children and various other scheduled activities.

We provide the space, event styling, fitting rooms, marketing of the event, staff, entertainment, clean bathroom facilities, bins and event cleaners.
